

Our Genetic Code (DNA)

“Our internal programming is that we multiply and reproduce. We can’t be anybody else, it is our reproductive template.”

- Clear accurate biblical teaching, teaching the main and plain things of scripture, teaching its books and how to apply the scriptures to life.
- Culture current worship, intimate in nature with room for the manifestation of gifts.
- Gifts of the Holy Spirit.
- Priesthood of all believers, everybody gets to play.
- Small groups are the basis of pastoring; the basis is committed community.
- Emphasis on healing and signs and wonders
- Church planting at home and abroad
- Unity in the body of Christ the Church is the dispenser of truth rather than the protector of truth.
- Evangelism
- Equipping the Saints
- Ministry to the poor
